Praying To Be Obedient In Our Freedom

Luke 4:18 & 19

The Spirit of the LORD is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed, to proclaim the year of the Lord's favor.

Focused Family Prayer

During this month of July, let us recognize the power of the Holy Spirit which is within us and among us. To obediently hear his direction in our daily walk, as we are all called to reach out with grace in sharing and being a representative of Christ to others. Let not our freedom to choose be without the direction and presence of the Holy Spirit. We pray that we all live in submission to Gods direction in our families.
