Family Ministry Prayer Focus

"THE BLESSED LOVE OF MOTHERS"

Scripture: Proverbs 31: 10-31

She watches over the affairs of her household and does not eat the bread of idleness. Her children arise and call her blessed; her husband also, and he praises her: Many women do noble things but you surpass them all. Give her the reward she has earned, and let her works bring her praise at the city gate.

Focused Family Prayer

As we progress through this month of May, one of the most powerful celebrations is that of Mother's Day. For those who still have moms living on this earth, our memories are many and we still glean from their presence in our lives. Such a blessing! For those who mothers have transitioned on, the memories and lessons taught remain with us and they continue to define who we are becoming. Let joy be with us all as our mothers truly have blessed us never truly leaving us. Let us take time to thank GOD for our mothers and have joy for who they are and what they mean to us.

WE LOVE YOU MOM!
