“United On Thy Rock”

Written and Directed by Archie Borgus, III  
Mt. Salvation Baptist Church, Arlington, VA

**Synopsis:** “United On Thy Rock” was written in July 2004 commemorating the 125<sup>th</sup> Anniversary of the Mt. Salvation Baptist Church. It’s a story about a community that does not have a church and the residents are planning to start one. Of course, there are many different personalities and opinions not excluding what should be done and many disagreements. However, through it all as a group they all come together, but let’s see how long it lasts! Very likely you will see a character that reminds you of someone you have known in your life. We hope you will be in attendance so clap your hands, stomp your feet and enjoy!
