Family Ministry Prayer Focus

Praying To Have Enough Faith to Persevere

Hebrews 11: 1-3

Now faith is the assurance of things hoped for, the conviction of things not seen. For by it the people of old received their commendation. By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things that are visible.

Focused Family Prayer

During this month of September, the start of new school year for many, we start out with faith that GOD is with us all as we start a new fall season. We pray that those starting new opportunities this fall will have the faith to press on, trusting and leaning on the Lord. Leaning not on our own understanding but having faith in the Lord as he directs our footsteps throughout our challenges and triumphs this month .
